EDUCATION & TEACHING

Gettysburg College Gettysburg, PA
B.A. Mathematics, Minor in Economics 2023 – 2027

Brighter Generation Remote
Volunteer Teaching Assistant May – Sep 2024

RESEARCH & EXPERIENCE

Gettysburg College On-campus
3D Topographic Modeling Research Assistant Aug 2026 – Present

- Developing tactile 3D terrain models from elevation data.
- Researching digital modeling and fabrication workflows.

Google Remote
TPU Research Cloud May 2026 – Present

- Selected for Google's TPU Research Cloud program.
- Awarded Cloud TPU infrastructure for ML research.

MIT/Harvard IAIFI
AI Summer School Aug 2026

- Studied symbolic regression, diffusion models, and simulation-based inference.
- Participated in a physics-informed AI hackathon.

Under Canvas Inc.
Data Analytics Fellow May – Jul 2025

- Analyzed a \$1.6M dataset using Python and Excel.
- Evaluated bonus inconsistencies and cost efficiency.

SKILLS

🔗 Python · R · SQL
LaTeX · Excel

RESEARCH INTERESTS

Applied Mathematics
Number Theory
AI / AI4Science
Quantitative Research

PUBLICATION

2026 **EVT on Prime Gaps**
Statistics & Probability Letters
DOI: 10.1016/j.spl.2026.110898

AWARDS

2026 **Math Alliance F-GAP Scholar**
2026 **Taylor Gaw '13 Fellowship**
2024 **Seibert Project Award**
2023 **David Wills Scholar**
